

MEET THE TEACHER PARA MRS. NINOW

ABOUT ME

I was born near Sacramento, CA.

After graduating from the University of California, Los Angeles with a degree in Economics, I married my college sweetheart. I worked for years in corporate banking, but I ultimately left my career to be a stay at home mother. My two children, Addie (8) and Beau (5), will both be attending Robin Hill this year. I have enjoyed homeschooling and teaching young children in the past, and I look forward to applying that experience to this new position. I'm very excited to be a Robin Hill Warrior!
