Pre-Kindergarten may be the most important year of school your child attends. We learn that learning is fun and adventurous. We develop attitudes about school, responsibility for our own behavior and actions, respect for others, and many other skills. It is important that your child understands that we, parents and teachers, are a team and are working together to help ensure their success. Listed below are some of the procedures and expectations we have in Pre-K. If you have any questions, please do not hesitate to contact me at 405-321-4186.

Park in the front of the school or at the church parking lot and walk through the front gate, located to the left of the front door to the school.

BIRTHDAYS

Birthdays are a very special occasion in the life of a child. The snack schedule will reflect each student's birthday for that particular month. They are welcome to bring a treat for the entire class on their special day. These treats will be eaten during our snack time. Please note; teachers, parents, and students are not allowed to distribute party invitations at school unless every child is invited. An easy alternative to card invitations is a digital copy which we are more than happy to send to all for you!
