Parents & Guardians,

We are kicking off a new fundraiser this year using the 'Snap!' program that allows us to use email, social media, and text messaging to quickly raise money for our team. All that is asked of each participant is that they gather 20 or more email addresses of family, relatives & potential supporters that may be willing to donate to our cause. **Your contacts are strictly private & protected;** they will simply receive a personalized donation request on behalf of your student during our fundraiser. If you could please help your student complete **PART B** below this would be a huge help to our program. We really need full participation in order to reach our team goal. By completing these simple steps we will greatly reduce the need to run as many fundraisers as previous years!

Thanks for your support! - **TONYA BONILLA**

## **PART A**

## **PART B**

### **PARENT/GUARDIAN & STUDENT AT HOME INSTRUCTIONS:**

\*Do not follow the sign-up steps above, your child has already created an account on the Snap website with the help of his/her team leader and Snap Fundraising Coach.

**PLEASE DO NOT CREATE A SECOND ACCOUNT, THERE SHOULD BE ONE ACCOUNT PER STUDENT**

1. Ask your child to log into their account (check top of this page for their login credentials)
2. Ask your child to enter A MINIMUM OF 20 email addresses of their biggest fans (we've tested this with thousands of groups and sending 20 emails produces optimal results!)
3. Follow the steps in the pop-up share wizard to share via Facebook & text message

**Note to Parents:** If you do not have the time to complete this at home, just compile a list of 20 email addresses, and your child will bring that list with him/her to complete these steps during the Kickoff Meeting.

## The “SNAP 20” – ATHLETE EXPECTATION

We will be entering AT LEAST 20 quality email addresses into the Snap Platform by the Kick-Off day. Enter them tonight with your parent/guardian or bring this sheet with you on date listed above to manually enter with your Snap Rep “Jon Dieball”. I expect you all to show your effort and support by participating!

***\*\*\*The best practice is to enter a minimum of 20 email addresses in a note on your phone, or email the list to yourself. This will make it easier since all you will have to do is copy and paste them into the system instead of typing them out\*\*\****

PARTICIPANT GOAL: 20+ email addresses
